

Things You Need:

- A **pink or red candle**
- A **glass of rose water** or clean spring water
- A **photo of the person** you love (or write their full name)
- A **white paper** and red pen
- A small **mirror**
- A few **rose petals** or **sandalwood incense**
- A **quiet space** where you won't be disturbed

(Preferably on a Friday Night):

1. Prepare the Space

- Clean your space.
- Light the candle and place the rose petals around it.
- Place the mirror in front of you (so you can see your reflection during the ritual).
- Set the photo/name of the person in front of the mirror.
- Place the glass of rose water nearby.

2. Create the Love Intention Sigil

- On the white paper, write:
 ✨ “I now attract [Full Name] into my life with love, respect, and divine timing.”
 - Draw a heart around the message.
 - Fold the paper toward you (to draw energy in).

3. Mirror & Eye Connection Work

- Look into your eyes in the mirror for 1–2 minutes.
- Now gently shift your gaze to the photo or the name of the person.
- Hold the folded paper to your chest and **visualize** them smiling, laughing, being close to you.
- Imagine them feeling peace, curiosity, and joy toward you.

4. Drink the Rose Water

- Sip it slowly while visualizing you and the person walking or sitting together peacefully and happily.

4. Seal the Ritual

- Say out loud (only once):
"With love and respect, I call in divine alignment between me and [Name]. If we are meant to be, may all blocks dissolve now."
- Let the candle burn safely (or extinguish if needed, relight daily for 3 days).
